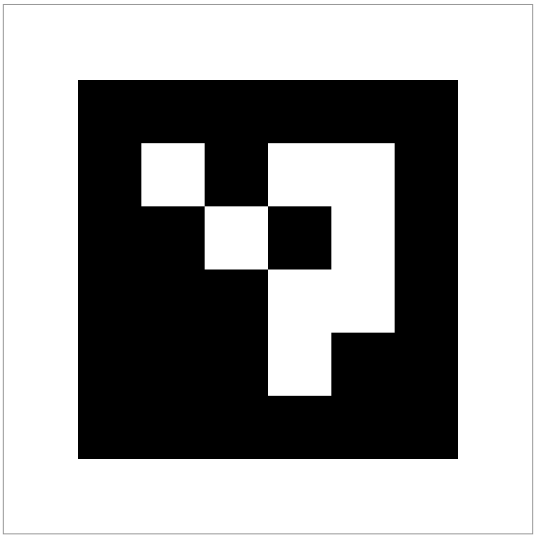
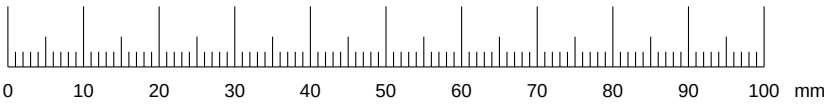
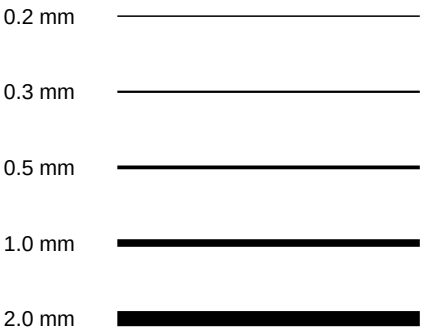
PRINT AT 100% (actual size, no fit-to-page). The black square must measure 50 mm.

ArUco DICT_4X4_50, id 0. Place flat on the concrete, next to the crack, in the same plane.





Check after printing: ruler 0-100 must measure 100 mm. If not, reprint at 100%.


Reference lines (nominal width; printers spread ink, check with a crack gauge):
